Your Guide to Using Your New HSA.

Health Savings Account Basics

Health Savings Account funds can be used to pay for out of pocket medical expenses, such as your deductible, co-payments for medical care, prescription drugs, or vision and dental bills. To learn more about your new HSA and its great benefits, read over the information below, or visit www.texaseducatorshsa.com.

Get the Most Out of Your Health Savings Account

Tax-Free Contributions

Make tax-free deposits to your HSA straight from your paycheck. Make sure to check the IRS maximum contribution limit each year.

Investing Your HSA Funds

You have the option to invest a portion of your HSA funds. If you plan to save more than you spend, this may be a wise option for you.

Debit Card for Qualified Expenses

You can use your HSA debit card to purchase & pay for any qualified expenses. Your card can be used anywhere that accepts VISA.

No Use It Or Lose It Policy

Unlike a Flexible Spending Account (FSA), HSA funds can be rolled over and used the following year. The funds are yours to keep.

HSA Store Coupon

Visit the HSA Store to shop online for all HSA eligible products. Use code 2026SAVE5 at checkout to receive \$5 off your purchase.

Access Your Funds Anywhere

Create an online banking account to manage your money and debit card online. Download the GCEFCU mobile app and have 24/7 access to your funds.
