

Three easy ways to use your FSA and DCFSA funds

Hi employee,

You chose wisely by enrolling in your **Flexible Spending Account (FSA)** and **Dependent Care Flexible Spending Account (DCFSA)**. Now it's time to put those pre-tax dollars to work and start saving on the care you and your family need.

1. Know what's covered

Whether it's a doctor's visit or summer camp, your accounts have you covered.

- **Your FSA:** Use it for everyday health essentials, prescriptions, dental work, and vision needs
- **Your DCFSA:** Use it for preschool, before/after school care, day camps, and elder care while you work

2. Two easy ways to pay

Managing your funds is simple with your **WEX Benefits Card** and the **Benefits by WEX mobile app**.

Option A: Swipe and go

Use your WEX Benefits Card at the pharmacy, the doctor, or even at many larger childcare centers and preschools. It pulls funds directly from your account—no out-of-pocket cost to you!

Pro tip: Always keep your receipts! The IRS sometimes requires verification to prove an expense was eligible.

Option B: Pay yourself back

If your provider doesn't accept cards (common for nannies or smaller camps), just pay with your personal cash or credit card and file a claim to reimburse yourself.

- **Snap a photo:** Use the mobile app to upload a picture of your receipt

- **Set it and forget it (DCFSA only):** If you pay the same amount for childcare every month, set up **Recurring Reimbursements** to get paid automatically as your payroll contributions land

Shop the FSA Store

Skip the guesswork! Every item at the **FSA Store** is guaranteed eligible. Use your WEX Benefits Card at checkout for a "swipe and go" experience on over 2,500 health and wellness items.

- **Swipe and go:** Use your WEX Benefits Card at checkout
- **Massive selection:** Over 2,500 health and wellness items
- **Fast shipping:** Direct to your door
